

Wholesale Voice

Deliver carrier-class Voice to your customers

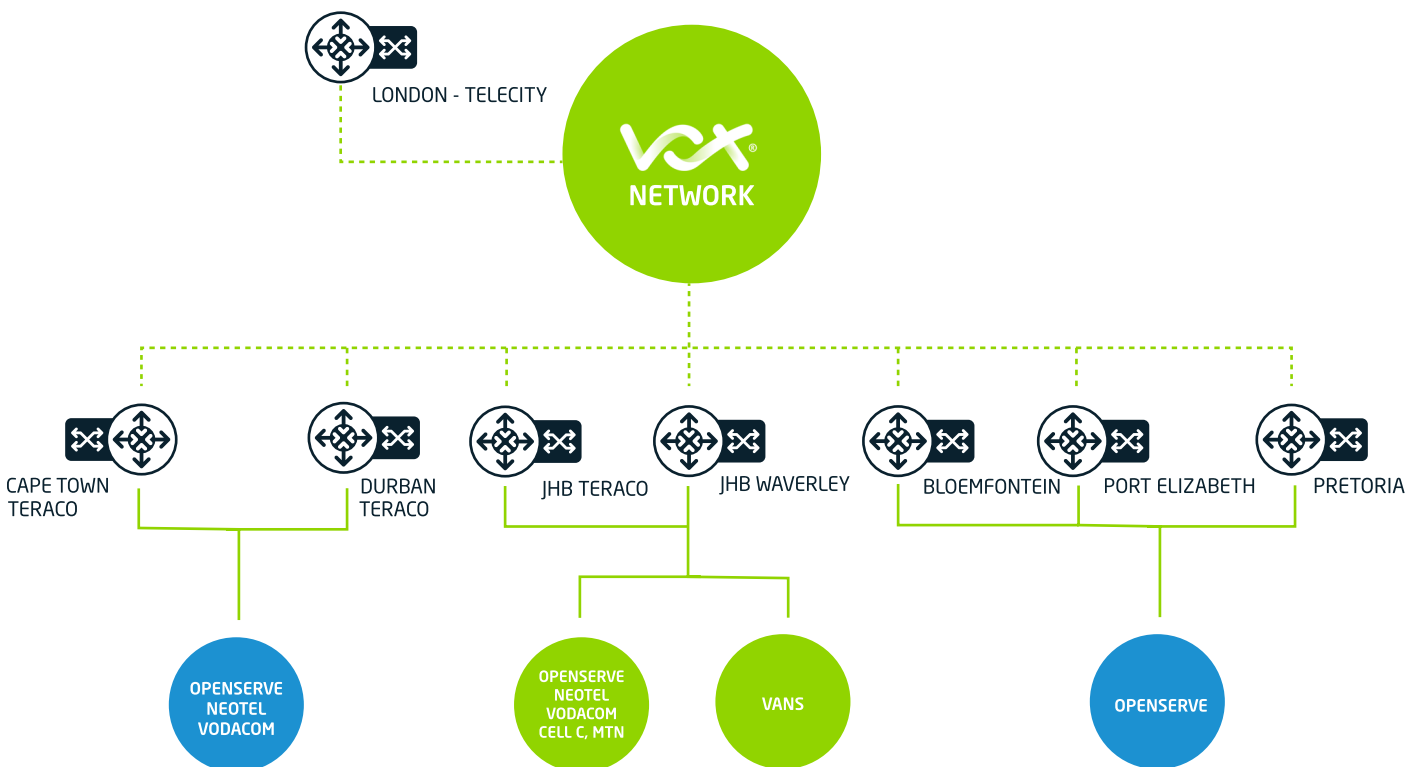

- Interconnect to all operators immediately, without expensive floor charges
- Benefit from Vox's economies of scale and future capacity
- Receive CDRs to verify your billing Issue geographic or non-geographic numbers
- Receive rebates on inbound minutes to Vox numbers
- Consolidate suppliers and reduce management overheads
- Benefit from using a wide range of pre-approved hardware that is inter-operable with Vox's platform

PRODUCT OVERVIEW

Wholesale Voice from Vox is a scalable, carrier-grade Voice offering, allowing you as a reseller to terminate Voice minutes on behalf of your customers. Vox's next generation network and interconnect agreements

with major operators empower your business to offer complete telco functionality, number issuing and superb quality Voice termination.

HOW IT WORKS

MAIN FEATURES AND BENEFITS

- Directly interconnect to all major ECNS licensees over carrier-grade points of interconnectivity
- Scalable interconnection capacity at vendor neutral facilities like Teraco
- Non-geographic and geographic numbers
- Routing of all traffic types, including fax
- Registered with the Number Portability Company
- Reserved port capacity
- Daily CDRs
- Avoid dealing with multiple operators with varying requirements and floor charges
- Redundant core network
- Leverage Vox's capacities and skills
- Shorten lead times to get up and running
- Allows you to focus on your core business
